OCTOBER 2024 DISPLAY ENTRIES:

This month we had 7 displays (1 virtual and 6 in-person exhibitors) for the theme of 'Aircraft Toys'.

It was great to see some new exhibitors and their very interesting toys. Their efforts, both virtual and in-person, made the competition a great thing and are very much appreciated.

Enjoy this month's displays. Please don't forget to vote. Remember your votes also count towards the year-long competition results, prizes for which will be presented at our December Members Meeting and Christmas Social evening
